

DISCLAIMER

- Tradesurf Research Private Limited is registered with SEBI as a Non-Individual Research Analyst vide Registration Number INH000029810 on August 31, 2026, pursuant to which it provides Research Analyst services to its clients.
- Investment in securities market is subject to market risks. Read all the related documents carefully before investing.
- Registration granted by SEBI, enlistment with BSE and certification from NISM in no way guarantee performance of the intermediary or provide any assurance of returns to investors.
- We are not affiliated with any other intermediaries nor do we receive any brokerage or commission from any third party.
- SEBI has issued no penalties/directions under the SEBI Act or any other regulatory body.
- We do not recommend any stock broker or other intermediary to a client, nor do we receive any consideration by way of remuneration, compensation or in any other form whatsoever from any stock broker or intermediary.
- Investment in equity shares has its own risks. Sincere efforts have been made to present the right investment perspective. The information contained herein is based on analysis and on sources that we consider reliable. We, however, do not vouch for the consistency or completeness thereof. This material is for personal information and we are not responsible for any loss incurred due to it and take no responsibility whatsoever for any financial profits or loss which may arise from the recommendations above.
- We do not provide any promise or assurance of a favourable view for a particular industry, sector or business group in any manner. The investor is requested to take into consideration all the risk factors, including their financial condition and suitability to a risk-return profile, before investing.
- We or any other person related to us might be holding positions in the stocks recommended.
- The research recommendations are provided to all our clients who are entitled to receive the research reports. No client (paid or unpaid), third party or anyone else has the right to forward or share our calls, SMS, reports or any information provided by us with anyone through any medium. If found doing so, serious legal action can be taken.
- We ensure that individuals employed as research analysts are separate from other employees performing sales, trading, dealing, corporate finance advisory or any other activity that may affect the independence of our research reports/recommendations. However, these individuals may receive feedback from sales or trading personnel of the brokerage division to ascertain the impact of research reports/recommendations.
- If a client wants an opinion on a specific position, such suggestion/view shall under all circumstances be considered an opinion (not advice). We are not liable for any losses whatsoever the client may incur in accepting this opinion.
- We do not have any association in any manner with any issuer of products/securities; this ensures that there are no actual or potential conflicts of interest and that objectivity or independence in the carrying on of research services is not compromised.
- Stock trading is inherently risky and you agree to assume complete and full responsibility for the outcomes of all trading decisions that you make.
- Unlike an actual performance record, simulated results do not represent actual trading. No representation is being made that any account will or is likely to achieve profits or losses similar to those shown.
- We use various third-party data sources and information material for preparing our research reports. While we make sincere efforts to ensure the data and information are accurate, we cannot guarantee that information provided by third parties will be free from technical glitches and errors.
- You, and not us, assume the entire cost and risk of any trading you choose to undertake. You are solely responsible for making your own investment decisions. If you choose to engage in transactions with or without seeking advice from a licensed and qualified financial advisor or entity, then such decision and any consequences flowing therefrom are your sole responsibility. We or any employees are in no way liable for the use of the information by others in investing or trading in investment vehicles.

- We also encourage all investors to use the services as a resource to further their own research on all featured companies, stocks, sectors, markets and information presented on the site.
- Everything posted on social media (Twitter/Facebook/Telegram/YouTube) is for education/illustration purposes and should not be counted as recommendations or investment advice.

AI-Generated Content & Limitations

- Qortle uses artificial intelligence to generate research insights and to power conversational features (including the Qortle Strategist and the support assistant). AI output is probabilistic, may be incomplete or incorrect, and does not guarantee any outcome or future performance.
- AI-assisted research is produced within the Research Analyst's process and oversight. Conversational assistants — including the support chat on this website — provide general product and informational help only, and must not be relied upon as personalised investment advice.
- Nothing generated by any Qortle AI feature is a personalised recommendation, a solicitation, or an assurance of returns. Apply your own judgement and, where appropriate, consult a qualified adviser before acting.

For grievances, investors may contact the Compliance Officer: Mahesh Pratap Singh, mahesh.singh@fyntrix.ai, +91 99231 93724. Investors may also lodge complaints with SEBI through the SCORES platform (<https://scores.sebi.gov.in>).
